

Located in the picturesque Flathead Valley, just minutes from Glacier National Park and Whitefish Mountain, our close-knit group of radiologists provides the highest level of care for the fast-growing population of Northwest Montana. Our practice supports multiple regional hospitals across all radiology subspecialties and provides diagnostic imaging services to 20+ clinics.

- >> Competitive starting salary and vacation package with rapid partnership track
- >> Team-oriented, mid-size private practice
- >> Four-season recreation opportunities, including a major ski area, extensive hiking and mountain biking, and world class fishing
- >> Direct connections to 22 major cities from Glacier Park International Airport
- >> Growing community that esteems family values

FULL-TIME RADIOLOGIST

We are seeking a full-time, fellowship-trained radiologist interested in general radiology with an emphasis in cross-sectional imaging.
